ROUTE 2 A

"The Pearls Of Uzbekistan" classic tour (10 days/9 nights) Tashkent - Urgench – Khiva - Bukhara - Shakhrisabz - Samarkand – Tashkent

In Uzbekistan you will find many beautiful cities that are like pearls. However, in ROUTE 2 A "The Pearls Of Uzbekistan" classic tour you will find the 'pearls' which you absolutely should not miss while visiting this fascinating country. ROUTE 2 A is for those who are not indifferent to history, culture and architecture. Tashkent is the capital of Uzbekistan and understandably modern city but still has old sights and interesting museums, which will impress you. Samarkand – city of fairy-tales, world famous Registan square, observatory of Ulugbek, Gur-Emir – burial place of Tamerlane, a real eastern bazaar that will not leave your heart indifferent. Shakhrisabz – birth city of one of the greatest rulers in Central Asia Amir Timur. Later on Amir Timur made Samarkand the capital of his country, however he never forget about his motherland. He re-named Kesh as Shakhrisabz (Green City), he built his biggest palace here plus a mausoleum for himself and his favorite son. Bukhara was once the most noble and interesting city in the world. The holiest city in Central Asia, it had 217 mosques and 80 madrasas. It was famous for trade, education and religion. Still Bukhara has the only Central Asian old city inhabited by locals and is considered to be the historic core of Uzbekistan. Khiva is like a city-museum under the open sky. The old city of Khiva was the object of some of the most intrepid overland expeditions of the 18th and 19th centuries. Khiva was the most remote and is now the most complete of the old Silk Route's oasis cities. Its walls are intact. Today, when you enter the old inner city you will feel like you are in the fairy-tale *1001 Nights*. Find your pearl on this route!

We are always open for your suggestions and improvements to your individual itinerary.
